11th International Conference on

CVIP 2026

9th - 12th Dec. | Calicut, India

Hosted by: NIT Calicut, India
Jointly Organized by: NIT Calicut & NTNU Norway

COMPUTER VISION & IMAGE PROCESSING

Publications

All the accepted and presented papers will be submitted for publication with Springer in Lecture Notes in Computer Science (LNCS)*. Conference proceedings will be abstracted and indexed in DBLP, Google Scholar, EI-Compindex, Mathematical Reviews and ISI Proceedings

*subject to the approval

CALL FOR PAPERS

The 11th International Conference on Computer Vision and Image Processing (CVIP-2026), will be held from December 9-12, 2026, at the National Institute of Technology Calicut (NIT Calicut), Kozhikode, Kerala, INDIA. This event is organized jointly by NIT Calicut and the Norwegian University of Science and Technology (NTNU) Norway.

APPLICATION THEMES

- Aerial and UAV-based Computer Vision
- Aquatic Frontiers
- Art and Games in the Social Media Era
- Autonomous Robotic Systems
- Beyond Visible Spectrum
- Biometrics and Sign Language Recognition
- Explainable and Secure AI for Vision
- From Cognition to Decision-Making
- Generative Approaches to Visual Understanding
- Graphics and Visual Computing
- Hardware Architectures for CV
- Immersive Experiences through VR/ AR
- Monitoring Ecosystems through Remote Sensing
- Pedagogical Practices and Learning
- Perception, Decision, and Control in ADAS
- Resilient Healthcare
- Structural Health Monitoring and Transportation Engineering
- Sustainability in Agriculture
- Vision in Urban Planning
- Vision Systems for Edge Computing and IoT

TOPICS OF INTEREST

Topics of interest cover all aspects of computer vision and image processing, including but not limited to:

- Adversarial Learning: Attacks, Defenses, and Robust AI
- Computational Imaging
- Computational Photography
- Datasets and Evaluation
- Document and Synthetic Visual Processing
- Forensics, Content Protection
- Human Computer Interaction
- Image and Video Processing
- Image/ Video Security and Quality Assessment
- Medical Image Analysis
- Quantum Computer Vision
- Responsible AI Ethics and Privacy in Computer Vision
- Vision based Human Gait Analysis
- Visual Sensor Hardware
- 3D Reconstruction, Modeling, and Visualization Techniques

IMPORTANT DATES

26 Jan 2026 | Paper Submission Open

ROUND 1

15 April 2026 | Paper Submission Deadline

15 June 2026 | Paper Acceptance Notification

15 July 2026 | Camera Ready Submission Deadline

ROUND 2

31 July 2026 | Paper Submission Deadline

31 Sep 2026 | Paper Acceptance Notification

10 Oct 2026 | Camera Ready Submission Deadline

9-12 Dec 2026 | Conference Dates

ABOUT NIT CALICUT

The National Institute of Technology Calicut (NITC) is one of the premier technical institutions in India. The Institute celebrated its diamond jubilee year in 2021. NITC is set in a picturesque landscape at the foothills of the Western Ghats, located on the Kozhikode - Mukkam road, about 22 km from Kozhikode city. It is a prestigious institute with a reputation for excellence at undergraduate, postgraduate and research levels, fostering the spirit of national integration among the students and close interaction with industry.

Calicut has been known from time immemorial as a famed destination for travellers and has maintained trade links with the Arab world. The visit of the explorer Vasco Da Gama in 1498 initiated the trade between Calicut and Europe. The city was famed for the export of spices, pepper, cinnamon, lac and ginger. The city is also well known for its hospitality and mouth-watering delicacies. Calicut is also a major centre of higher education, learning and research in Kerala. It is the hometown of institutions of national importance, such as NITC, IIM, NIELIT, IISR, CWRDM, etc.

ABOUT NTNU NORWAY

NTNU is an international oriented university with headquarters in Trondheim and campuses in Gjøvik and Ålesund.

NTNU has a main profile in science and technology, a variety of programmes of professional study, and great academic breadth that also includes the humanities, social sciences, economics, medicine, health sciences, educational science, architecture, entrepreneurship, art disciplines and artistic activities.

The university's root goes back to 1760 with the foundation of Det Trondhiemske Selskab (Trondheim Academy). A merger in 2016 made NTNU Norway's largest single university.
